

# KID NATION

## LESSONS

### Objective

**AIMING**  
TO GET GOOD  
GRADES IN YOUR  
**COURSES**

### Intro

“Why is it  
important  
to try to get  
good grades?”

### Video

**GOOD  
GRADES**

### Activity

Students  
fill out  
attached  
**worksheet**  
individually

### Discussion

Regroup and  
**discuss** the first  
four questions  
together. Then  
have students  
explore the final  
question in pairs.

### Takeaway

**AIM TO DO**  
YOUR BEST, AND  
**ASK FOR**  
HELP IF YOU DON'T  
UNDERSTAND  
**CONCEPTS.**

# GOOD GRADES

**KID  
NATION**

From previous lessons, I already know how to...

Something new I learned today is...

Something that I'd like to learn is...

# GOOD GRADES

## DISCUSSION QUESTIONS

### QUESTION 1

What can you do both in class and at home to get good grades?

### QUESTION 2

It is always good to aim for high grades, but sometimes, it can be tricky to get all As all the time. Is this okay?

### QUESTION 3

Is it okay to copy someone else's answers to get good grades? Why or why not?

### QUESTION 4

How do you prepare to take a test?

### LET'S DISCUSS!

Let's discuss! Turn to a classmate or ask a friend. What are some things you do every day to get good grades? Should you make any changes in your life?
